The M AGGIO UNCHER

MAGGIO'S HAS EXCITING NEWS!

We're growing! Starting this month, we'll be converting part of our restaurant — including the Chef's Galley — into additional banquet space. Over the years we've had to turn away too many parties, and it's time to expand so we can host ALL of your special celebrations!

Don't worry — your favorites aren't going anywhere! Our bar & restaurant will remain open, so you can still enjoy all your go-to dishes for dine-in, takeout, and delivery.

COME CHECK OUT OUR NEW MENU! Your classic favorites are still here, plus a few new surprises we know you'll love.

Changes Coming January 1st:

Happy Hour: Now 4–6pm — same great ½-price apps and drink specials

Hero Special Update: No more Wednesday-only deal — heroes now get 10% off every single day

Daily Chef Specials: Now offered seven days a week (no more Sunday–Thursday limitation)

And a HUGE milestone... Maggio's celebrates 50 YEARS in business in June 2026! We're planning some exciting events — stay tuned!

Introducing Brookside by Maggio's

We went ahead and took over Brookside Manor in Feasterville — soon to be called Brookside by Maggio's — because apparently humans love planning parties, and you all refused to stop having birthdays, engagements, gender reveals, anniversaries, reunions, retirement parties, "we got a dog" parties... you get the idea.

50 Bustleton Pike - basically down the street - Zero excuses not to show up.

This beautiful property features

- 4 banquet rooms
- 2 outdoor spaces
- And... enough space for Aunt Linda to bring her ring light and take 200 pictures

Brookside will be closed in January for renovations — during which we'll drink too much coffee and pretend we're experts at choosing flooring after looking at exactly one Pinterest photo.

February = GRAND REVEAL

Come tour the new space. Bring friends. Pretend you weren't already mentally planning your event before we finished this sentence.

And yes, we're excited. Obviously. Stay tuned...
we're just getting started!

THE PLANE RIDE HOME

It was New Year's Eve and on an overseas flight, a lawyer Sam and an older gent Izzy were in adjoining seats.

The lawyer asked the senior if he'd like to play a little game. The older man was tired, and he told the lawyer he only wanted to sleep.

But the lawyer insisted the game was a lot of fun. Here's how it works," he said. "I'll ask you a question. If you can't come up with the answer, you have to give me a dollar. Then it's your turn to ask me one. But if I can't answer it, I have to give you \$20."

The senior figured if he just got this over with, maybe he could get some sleep. So he agreed to play.

The first question from the lawyer was "How far apart are the earth and the moon?"

The senior stayed completely silent, reached for a dollar, and gave it to the lawyer. Then Izzy said, "My turn. What walks upstairs backward and comes downstairs forward?"

The lawyer was stumped. He thought and thought. He tried to remember all the riddles he knew. He searched every corner of his brain. He even cheated and asked the flight attendants and other passengers. Finally he gave up. He woke Izzy and gave him a twenty. The senior stuffed the twenty in his coat and went immediately back to sleep.

The lawyer couldn't stand it. He woke up the older man and said, "I have to know. What walks upstairs backward and comes downstairs forward?"

The senior got out his wallet, gave the lawyer a dollar, and went back to sleep.
