OF MOTHERS AND DAUGHTERS

One day, a little girl is sitting and watching her mother do the dishes at the kitchen sink.

She suddenly notices that her mother has several strands of white hair sticking out in contrast to her brunette hair.

She looks at her mother and inquisitively asks, "Why are some of your hairs white, Mom?"

Her mother replied "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while and then asked, "Momma, how come all of grandma's hairs are white

THE PARKING TICKET

Sent in by Maggio customer aurora2007

Working people frequently ask retired people what they do to make their days interesting.

Well, for example, the other day, Clare, my wife, and I went into town and visited a shop. When we came out, there was a cop writing out a parking ticket.

We went up to him and I said, 'Come on, man, how about giving a senior citizen a break?'

He ignored us and continued writing the ticket.

I called him an uncaring jerk. He glared at me and started writing another ticket for having worn-out tires.

So Clare called him a "REAL JERK". He finished the second ticket and put it on the windshield with the first.

Then he started writing more tickets. This went on for about 20 minutes.

The more we abused him, the more tickets he wrote.

Just then our bus arrived, and we got on it and went home.

We try to have a little fun each day now that we're retired. It's important at our age.

CONGRATULATIONS

IT'S FINALLY HERE!

Yep, this month my daughter Julie is getting married!

I've been catering weddings for years but this is the first time I actually had to deal with all of the other stuff – photographers, florists, bands, venues...talk about pulling your hair out!

The *Save The Date* and *Invitations* were easy – my other daughter Becky (she also created our website) did them. They were amazing!

The florist was another story. He put together an arrangement and when I went to take a picture to send to my daughter (she lives in New York), he tells me I am not allowed to do that. WHAT???. Needless to say we went elsewhere. Did he really think I wanted to be bothered copying his work? I have enough to do without making the centerpieces too!

Julie and Adam (her fiancé) found the band. "No contract needed, we'll be there," they said. So what happens? THEY JUST CANCELED!!! Where am I gonna find another Rockabilly band NOW!

I'll tell you how it all worked out next month.
