

Fundraising

Just about everyone has a cause that is close to their heart. At Maggio's, we offer a variety of fundraising options that help you reach your fundraising goal.

How We Can Help

- We advertize your fundraiser in our monthly newsletter and through e-mail. Our database contains over 15,000 names of potential new donors and attendees
- We offer a variety of fundraising options so that you can choose the one that's right for your organization
- Our experienced staff can assist you in making your fundraiser a success by offering suggestions on how to maximize your revenue
- We donate gift certificates for your organization to use when appropriate to help with your fundraising efforts
- Our goal is to help you raise as much money as possible to benefit your charity

In The Restaurant

Select a date for your fundraiser and call us to make sure your date is available

Bring the members of your group into the restaurant between the hours of 4:00pm - 10:00pm any Monday or Tuesday evening

Each member of your group must have a ticket provided by your organization letting us know they are a member. This ticket is presented to your server upon dining with us

Your charitable organization will receive 10% of each sale, not including sales tax. Your check will arrive one week after your event

To book your restaurant fundraiser, please call 215-364-4983

At The Mag Bar

Select a date for your fundraiser and call us to make sure your date is available

The Mag Bar offers entertainment most nights of the week, but you are welcome to bring your own with approval from your event coordinator

There are two ways to host your fundraiser

- Choose an all inclusive package from our private party menu and charge your group a per guest price. The difference between the cost of food and/or beverages and your ticket price goes to your charity
- Charge a cover at the door and your guests are responsible for any food and/or alcohol they purchase. All monies collected at the door go directly to your charity

To book your Mag Bar fundraiser, please call 215-364-4983

In The Ballroom

Select a date for your fundraiser and call us to make sure your date is available

Decide what type of fundraiser or gala you would like to hold.

Your options include:

Elegant plated meal

This type of gala will mean a higher ticket price for your guests but generally results in more profit for your charity

Beef & Beer

Ticket prices and profit will generally be lower than an elegant plated meal but may be more affordable for your guests

Themed Fundraiser

Themed fundraisers provide entertainment (Monte Carlo Night, Mardi Gras, Hawaiian Luau, 50's, Fur Ball...) as well as great food and generally require a higher ticket price resulting in higher profit for your charity

Your experienced event coordinator will assist you in choosing a menu and service style that will help you maximize your profits

To discuss your event in more detail, please call 215-364-4983

Off-Site Catering To The Venue of Your Choice

Maggio's can provide food and service staff to any venue that does not offer catering services for your fundraising event. If you are in need of a place to hold your fundraiser, we will be happy to provide a list of venues that may assist you in finding the perfect location

To discuss your event in more detail, please call 215-364-4983

Gift Certificates

For sports teams, school groups, and other organizations, Maggio's offers gift certificates for the members of your organization to sell to their friends, neighbors and family. Your organization purchases these gift certificates at half their value and your organization keeps the other half (example: your organization decides to sell \$10.00 gift certificates, Maggio's receives \$5.00 for every gift certificate sold and your organization keeps the rest.) The more gift certificates you sell, the more money is made for your organization. These gift certificates can be used in our restaurant, at The Mag Bar and for restaurant take-out and delivery.

***Gift certificates can be purchased in quantities of 25 or more.**
