I just looove surprises, don't you?

## GOT FIDDY CENT?

According to Philabundance, an organization dedicated to feeding the hungry, 50 cents is all it takes to feed one hungry man, woman or child a meal.

This holiday season we are asking you to consider donating just 50 cents when you dine with us or come in to pick up your order. That's only 2 quarters, 4 dimes & 2 nickels, 5 dimes, 10 nickels or a roll of pennies. All of that change is just weighing you down anyway. Why not put it to good use?

Maggio's will match all contributions made. So together, let's put a smile on as many faces as we can by filling as many bellies as we can. 50 cents is all it takes. Thanks for your help!

## A HOLIDAY FUNNY

According to the Alaska Department of Fish and Game, while both male and female reindeer grow antlers in the summer each year (the only members of the deer family, Cervidae, to have females do so). Male reindeer drop their antlers at the beginning of winter, usually late November to mid December.

Female reindeer, however, retain their antlers til after they give birth in the spring. Therefore, according to every historical rendition depicting Santa's reindeer, every single one of them, from Rudolf to Blitzen.... had to be a female.

We should've known this when when they were able to find their way.
