Valentine's Day Funny...or not

A young woman was taking an afternoon nap. After she woke up, she told her husband, "I just dreamed that you gave me a pearl necklace for Valentine's day. What do you think it means?"

"You'll know tonight," he said.

That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it only to find a book entitled "The meaning of dreams."

FLAT TIRE

Sent in by Maggio customer Rubydobydo

I had a flat tire yesterday, so I got out of the car and opened the trunk. I took out my cardboard men, unfolded them and stood them at the rear of my car facing oncoming traffic.

They look so life like you wouldn't believe it! They are exposing their bodies to the approaching drivers. Cars start slowing down looking at my lifelike men which made it safer for me to work at the side of the road..

Traffic starts backing up. Everybody is honking their horns and waving like crazy. It wasn't long before a state trooper pulled up behind me. 'What's going on here?' 'My car has a flat tire,' I said calmly. 'Well, what are those obscene cardboard men doing here by the road?' I couldn't believe that he didn't know.. So I told him, 'Helloooooo, those are my Emergency Flashers.'
