HAVE YOU PLANNED YOUR SUMMER PICNIC YET?

If you haven't, now's the time!

There are many different ways to hold a picnic/bbq. Let me count them for you:

1. Do it yourself – make a list, go shopping for everything you need, prepare all of the side dishes yourself, worry if you've bought and prepared enough, get the beverages and ice, find coolers to keep all that ice cold, figure out what to serve for dessert, prepare dessert, figure out what bowls and dishes you are going to put all of this food in. Don't forget the condiments and paper products! Now it's the big day, set up the tables and chairs, set up the buffet tables, run the food out to the designated hot and sweaty griller, replenish the buffet, try to have a conversation with your guests. The party is over, time to clean up all of the plates, forks, knives, napkins and assorted litter your guests have left all over the house and yard, wrap and put away your leftovers..... Are you tired yet?

2. Call Moose & Goose Picnic Catering. We'll do all of the above for you so you can actually relax and ENJOY your party for a change!!! **215-364-1165**

3. Just need some fill in food? Check out our Griller Filler Menu. You can pick one up at Maggio's or we can mail one to you.

See, it doesn't have to be that hard!

NEW – See our DIY (do it yourself) picnic packages at www.moosengoose.com.

4 WORMS IN CHURCH

Sent in by Maggio Customer Fran Litz

A minister decided a visual demonstration would add emphasis to his Sunday sermon.

Four worms were placed into four separate jars.

The first worm was put into a container of alcohol

The second worm was put into a container of cigarette smoke

The third worm was put into a container of chocolate syrup

The fourth worm was put into a container of good clean soil

At the conclusion of the sermon, the minister reported the following results

The first worm in alcohol...dead

The second worm in cigarette smoke...dead

The third worm in chocolate syrup...dead

The fourth worm in clean earth...ALIVE!

"So," the minister asked the congregation, "what did you learn from this demonstration?"

Little Johnny was sitting in the back of the church, quickly raised his hand and said...

"If you drink, smoke and eat chocolate, you won't have worms!"

That pretty much ended the service
